

Thanksgiving family activity pack

Name: _____ Date: _____

A little preparation, a lovely holiday moment. Student pages come before teacher pages.

BEFORE YOU BEGIN

For ages 4–8 with adult support. Choose pages to suit the child. Younger learners can draw, dictate or start with the maze.

YOUR LITTLE ACTIVITY PLAN

1. My thankful turkey

4–8 years · 15 min approx.

2. A little thank-you letter

6–8 years · 20 min approx.

3. Kids' Thanksgiving placemat

4–8 years · 20 min approx.

4. Thanksgiving feast math

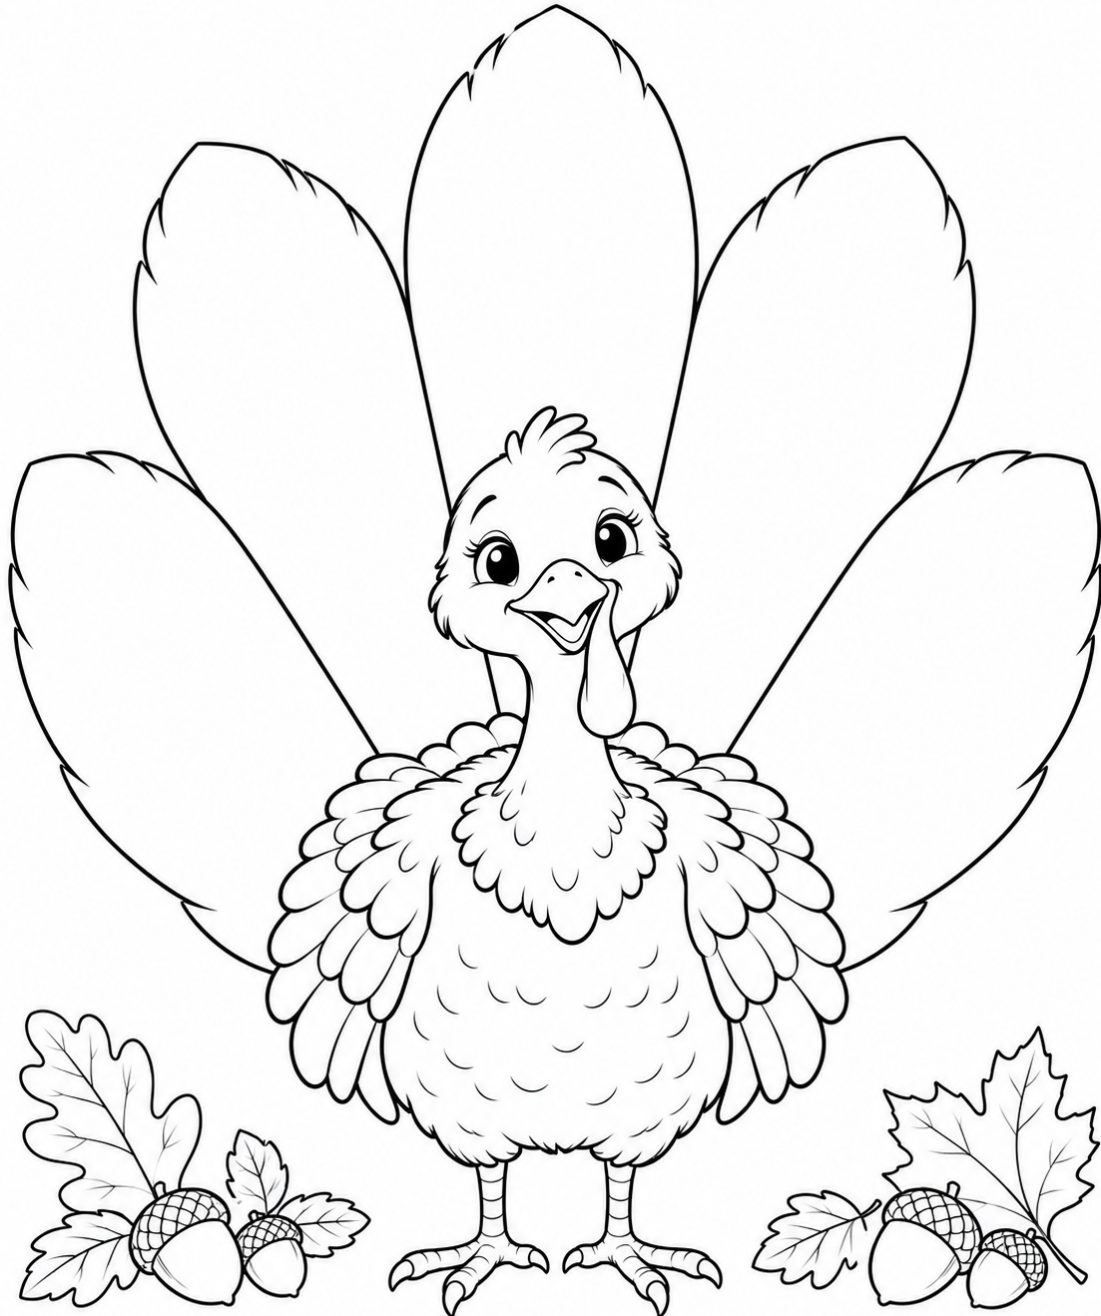

6–8 years · 20 min approx.

You need: pencils, coloring supplies and paper counters for Bingo. Pick 2–3 activities for a 30–45 minute session, or spread them over several days. Keep teacher pages separate.

My thankful turkey

Name: _____ Date: _____

Write or draw one thing you are thankful for in each feather.

I would like to share this with: _____

A little thank-you letter

Name: _____ Date: _____

Choose someone to thank. Write a little note and draw a picture.

Dear _____,

Thank you for...

It made me feel...

A little picture for you

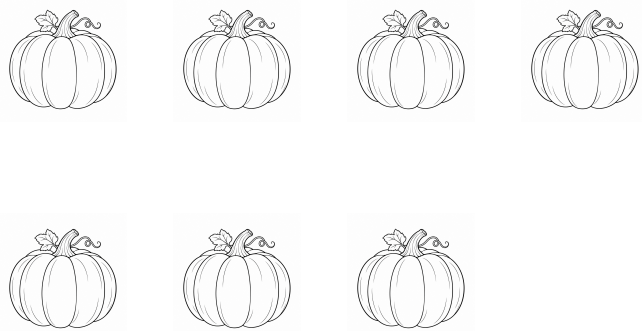

From:

Kids' Thanksgiving placemat

Name: _____ Date: _____

Count, explore and draw while the table is getting ready.

Thanksgiving feast math

Name: _____ Date: _____

Read each story. Write a number sentence and your answer.

1. We have 3 plates and add 2 more. How many are there now?

2. There are 2 pies. We take away 2. How many are left?

3. We have 3 apples and add 2 more. How many are there now?

4. There are 3 cobs of corn. We take away 3. How many are left?

5. We have 4 bread rolls and add 2 more. How many are there now?

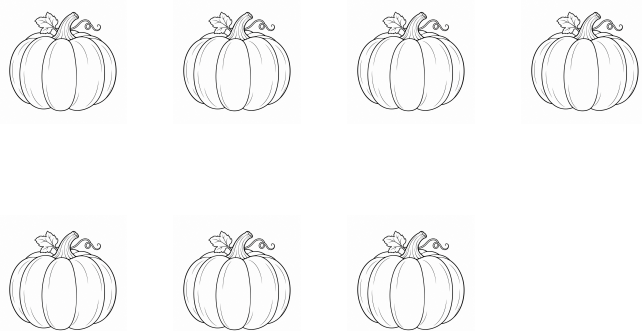

6. There are 5 spoons. We take away 3. How many are left?

Kids' Thanksgiving placemat

Name: _____ Date: _____

Count, explore and draw while the table is getting ready.

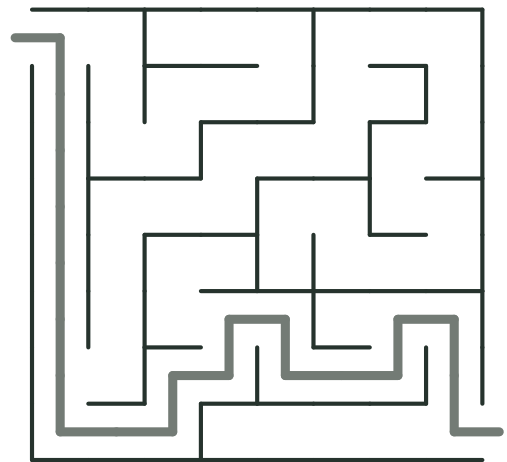

1. Count the pumpkins

There are 7 pumpkins.

2. Mini maze

START →

→ FINISH

3. Draw a moment that made you feel thankful.

Drawings will vary. Invite children to share who or what they appreciate.

Thanksgiving feast math

Name: _____ Date: _____

Read each story. Write a number sentence and your answer.

1. We have 3 plates and add 2 more. How many are there now?

$$3 + 2 = 5$$

2. There are 2 pies. We take away 2. How many are left?

$$2 - 2 = 0$$

3. We have 3 apples and add 2 more. How many are there now?

$$3 + 2 = 5$$

4. There are 3 cobs of corn. We take away 3. How many are left?

$$3 - 3 = 0$$

5. We have 4 bread rolls and add 2 more. How many are there now?

$$4 + 2 = 6$$

6. There are 5 spoons. We take away 3. How many are left?

$$5 - 3 = 2$$
